Government Corruption and False Flag
Terrorism

Dear Police Commissioners

And Senior Staff, who have not been compromised, corrupted and turned to the dark evil side of helping to carry out False Flag Terrorism against your fellow citizens.

So how infiltrated – corrupted have our Police and Intelligence Services become by the same people who were behind Sept 11th 2001 Terrorist Attacks in New York, Madrid, London, Bali etc?

By my calculations the following have been infiltrated and corrupted.

- Office Of National Assessments
- Australian Federal Police
- ASIO
- ASIS
- Federal Attorney General Office
- Australian Military
- Foreign Affairs Dept

Also

NSW State Police Force (Terrorism – Counter Terrorism Unit) and right up to the Police Commissioners Office

Victorian State Police Force (Terrorism – Counter Terrorism Unit) and right up to the Police Commissioners Office

- Both State Attorney General Office and DPP sections.

Where is the evidence?

Evident 1 A)

Evan Kohlmann, remember him people, well certain people will and the following will rattle a few trees and lets see what falls out.

Back History

Turning back the pages of time a few years remember the Joint ASIO, Federal Police and State Police Task Forces which caught the 8 Muslim Guys in Sydney and 7 in Melbourne for trying to carry out a Terrorist Attack in Australia after filming the Opera House, Sydney Harbour Bridge and other Land Marks.

(The story line to that script came straight from the real people who were caught doing it, in America around 11th Sept 2001, At The Sears Towers in Chicago USA, and anybody want to guess who was caught doing those things? – Staking the building out, taking pictures, getting maps etc of the area.

NO they weren't Muslims! They were Israeli Mossad & IDF people)

Sydney Operation – This is roughly how the Sydney Operation went down, MI5 over in England arranged and lent ASIO & The Federal Police in Australia what we call a "Super Grass" This is a Special Operative on the pay rolls of the Intelligence Agencies who's job is to go around and recruit (Patsies – Stooges) to a Terrorist Cell.

- Go back and look at News reports for this period and the Inman at Lakemba Mosque gave half the Operation away one day when he said he remembered some guy who just turned up out of the "Blue Yonder" one day and started coming along (BINGO)

Then this Super Grass set to work recruiting Patsies – Stooges to a Fake Terrorist Cell, of which after being feed a script by ASIO and The Federal Police he would carry out with the men, Go around visiting places in Sydney, taking pictures, making drawings.

Then the Super Grass would get the men to talk about the WAR On Terror and bring up stories of how the Americans are bombing their country of birth to steal the Oil, and Australia helping the Americans.

The men by now would be so full of hatred, rage they would swear revenge to carry out the same here in Australia with what is being inflicted back in their birth country.

Throw in the Super Grass would suddenly come up with detailed plans one day feed to him by ASIO and Federal Police, these plans would also include where to buy weapons, explosives to carry out the operation and he would feed them to the patsies, all the above would be recorded on Tape and when ASIO and Federal Police had enough Taped Conversations.

***** Then Bingo – ASIO, Federal Police and State Police would move in and arrest all the men for Terrorism Offences, the Super Grass is never seen again he is whisked off.

Melbourne Operation – The Melbourne Operation went along similar lines, sending in a Police Procurator He then went around recruiting Patsies and Stooges from Preston Mosque to a Fake Terrorist Cell.

But this operation and script was straight out of the FBI handbook of how they had successfully carried their Operations out, they took these Patsies up to the Bush, loaned a Bomb Disposal Expert to teach them how to make a Bomb.

Poor Dumb Patsies – Its only what I hear, they were dumber then a box of rocks the whole lot of the 6-7 Patsies, they couldn't make a Toasted Cheese, Ham, Tomato Sandwich between them all.

How were they going to learn how to make Bombs?

Chat around Forums is these Dumb Ass Pasties almost blew themselves up and the Bomb Disposal Expert when it came to their turn to make the Bombs, ha, ha, ha, ha, ha, ha, sorry I have to pick myself up from laughing on the floor – I digress in any case.

So similar to The Sydney Operation the Police Procurator Would get the men to talk about the WAR On Terror and bring up stories of how the Americans are bombing their country of birth to steal the Oil, and Australia helping the Americans.

The men by now would be so full of hatred, rage they would swear revenge to carry out the same here in Australia with what is being inflicted back in their birth country.

The Police Procurator would suddenly come up with detailed plans one day feed to him by ASIO and Federal Police, these plans would also include where to buy weapons, explosives to carry out the operation, and he would feed them to the patsies, all the above would be recorded on Tape and when ASIO and Federal Police had enough Taped Conversations.

***** Then Bingo – ASIO, Federal Police and State Police would move in and arrest all the men for Terrorism Offences, the Police Procurator is never seen again he is whisked off.

FBI Organizes Almost All Terror Plots In the US

<http://www.informationclearinghouse.info/article28933.htm>

Agents are sent in to converse within the community, find suspects that could potentially carry out "lone wolf" attacks and then, more or less, encourage them to do so.

The Federal Bureau of Investigation employs upwards of 15,000 undercover agents today, ten times what they had on the roster back in 1975.

If you think that's a few spies too many — spies earning as much as \$100,000 per assignment — one doesn't have to go too deep into their track record to see their accomplishments.

Those agents are responsible for an overwhelming amount of terrorist stings that have stopped major domestic catastrophes in the vein of 9/11 from happening on American soil.

Another thing those agents are responsible for, however, is plotting those very schemes.

The FBI has in recent years used trained informants not just to snitch on suspected terrorists, but also to set them up from the get-go.

A recent report put together by Mother Jones and the Investigative Reporting Program at the University of California-Berkley analyses some striking statistics about the role of FBI informants in terrorism cases that the Bureau has targeted in the decade since the September 11 attacks.

Back to the Australian Operations, then everybody would pat himself or herself on the back What A Wonderful Job We Did At Catching Terrorist!

Politicians would sing the praises of all the Police involved, Police Budgets would be increased to buy the latest weapons to fight these Terrorist. Police would receive Medals from Politicians like what happened to the (Incompetent – Corrupt – Dills from the Federal Police In Bali 2002)

***** Wait till you get to Evidence 1 C) These corrupt, incompetent barge ass types, while all the above was going on have a look at what The REAL Terrorist were up to killing Australian Backpackers in Asia.

Evidence 1 B)

Evan Kohlmann, Chat on Internet Forums from Evan friends says a few weeks ago now just after the Norway Bombings Evan had a few friends around to his house for dinner & drinks, after dinner they "Snorted some Cocaine" and got high as kites.

- Evan was bragging how his Videos he makes sends "Them Muslims" to prison and laughed about it
- Evan also let slip he was called as an "Expert Witness" by the DPP after being recruited and asked by ASIO to come to Australia all expenses paid to testify in the case against the Patsies – Stooges they the Police set up there in Australia.

This Is What Is Known About Evan Kohlmann

- A) He is hired by the US Pentagon to make "Al Qa`eda" Training and Recruitment Videos, which is then used against Innocent people at Gitmo in their trials as evidence of what they the accused believe in and aspire to.

- B) Evan was also caught releasing a FAKE Bin Laden Video and trying to push it as a New Release from Bin Laden himself and was caught, found out and exposed pushing this US Pentagon psyop - Terror Propaganda.

This kosher fellow made Al Qaeda videos, which were then being used as evidence in the trials of, so called Muslim terrorists.

Gitmo Al Qaeda Movie Creator Previously Pushed Terror Propaganda

Evan Kohlmann behind Pentagon produced psyop being presented as evidence in Guantanamo trial

Friday, August 1, 2008

A Pentagon produced documentary on Al Qaeda which was presented as evidence at the first Guantanamo war crimes trial was created by a terrorism consultant who has previously attempted to pass off Pentagon released propaganda as directly released by Al Qaeda.

"The Al-Qaida Plan" was shown to an audience of military jurors hearing evidence against a former driver for Osama bin Laden earlier this week.

The movie essentially props up the official government version of events on 9/11 and asserts that there was a coordinated "overarching conspiracy" by operatives of Osama Bin Laden to carry out the attacks.

One interesting facet of this, beyond the ludicrous notion that a Pentagon produced film could be classed as neutral evidence, was revealed in an associated press article

The title of the al-Qaida video is a tribute to "The Nazi Plan," a film the U.S. used to help convict German officers during the Nuremberg war crimes trials after World War II, said Evan Kohlmann, a consultant and terrorism expert hired to create the new video for use at the Guantanamo tribunals.

Evan Kohlmann has worked for the FBI as well as other governmental organizations and think tanks.

He runs Globalterroralert, a New York-based consulting firm whose clients include government and private businesses.

However, Infowars readers may remember him best as the consultant on NBC who attempted to pass off stage managed Pentagon released Al Qaeda footage as newly obtained and released by the terrorists themselves.

The footage in question showed Mohammed Atta and fellow alleged hijacker Ziad Jarrah laughing and joking.

Clips of the two were crudely cut with an Osama Bin Laden rally.

We covered this back in October 2006 as part of our series on Al Qaeda Tapes in which we exposed direct links to military psyops and Donald Rumsfeld.

At the time we reported: The NBC "US analysis" should be the focus of the latest tape...

It is an astounding piece of psyop propaganda that attempts in a shoddy way to fill in the "gaps" in 9/11 intelligence.

The analyst, Evan Coleman (sic), after admitting that the Pentagon has been "sitting on it" goes on to say

"It is important for people to watch and realize that this video is conclusive proof that 9/11 was orchestrated by Al Qaeda at the most senior levels."

He then makes a direct assault on the 9/11 truth movement by saying: - "This is the kind of video proof that is going to put a lot of 9/11 conspiracy theorists out in the cold and for good reason."

Coleman contradicts himself throughout his own report by saying the Pentagon has had the video since 2001 whilst still towing the line that it was Al Qaeda that released the video.

We revealed that portions of the video Kohlmann was attempting to pass off as newly released Al Qaeda footage had been previously seen in a docudrama, The Road To Guantanamo, where it is shown to detainees at camp Delta as an intelligence surveillance tape.

Along with experts on Islamic terrorist groups who were baffled by the video and declared that it had come from a security agency, the very journalist who received the tape also announced that the source was not Al Qaeda.

This did not matter to Kohlmann who appeared on several news stations hyping the Pentagon released video, using it to bolster the government version of events on 9/11 and to attack anyone who questions it.

Now this man is creating Al Qaeda videos, which are being used as evidence in the trials of so called terrorists.

Evidence 1 C)

While all the above was and is going on by ASIO, Federal Police and State Police Forces going about setting up Muslim Patsies, now read what the Real Terrorist were doing to Australian citizens in ASIA.

And all these treasonous, traitorous, incompetent sell out corrupt Police just sat on their hands letting an Israeli Terrorist Cell kill Aussies in ASIA, the below was then covered up by Australian Ambassadors from the directions of Ex-Prime Minister John Howard, and Ex-Foreign Affairs Minister Alexander Downer.

***** The following will take the smile off everybody's face.

FLASHBACK: Mossad Agents Killing Oz Tourists to Steal Their Identity

"He (Barkan) goes to Laos, Cambodia, Burma and Thailand and is running gangs that he pays to kill tourists, and steal their Identity papers passports then cover it up.

Most just disappear or their deaths have been reported as accidents, drownings and such, they like to throw their victims off the side of tour boats" said a New Zealand security official.

Mossad Agents Killing Oz Tourists to Steal their Identity to use in fake al-Qaeda operations

The Israeli Mossad agent Zev Barkan has been running Asian criminal gangs used to obtain Australian Identity documents and other passports stolen from Australians Killed in Asia a New Zealand security official has said.

I was contacted by a New Zealand official, who has intelligence connections in Asia while I was shopping in Toul Tom Pong Market in Phnom Penh and provided documents to support this information on the condition that it remain anonymous and I not publish the documents considering the risk to officials if the source of this leak was identified, this New Zealand official said Barkan was connected to an Israeli terrorist cell operating out of Thailand.

"He goes to Laos, Cambodia, Burma and Thailand and is running gangs that he pays to kill tourists, and steal their Identity papers passports then cover it up, most just disappear or their deaths have been reported as accidents, drownings and such, they like to throw their victims off the side of tour boats" said a New Zealand security official

Barkan has been named by New Zealand authorities as the kingpin in a passport theft ring for which two Israelis with Australian links were jailed for six months last week in Auckland.

One of the jailed men, Eli Cara, 50, had his rented home in Turrumurra raided by ASIO in March.

A short time later, he was arrested in New Zealand.

The New Zealand Government has named Barkan, Cara and the other convicted man, Uriel Kelman, as Mossad agents.

Barkan fled New Zealand before police moved in.

There are reports that Barkan, using a Stolen Canadian Identity documents, has now made a move to North Korea out of reach of authorities.

"Barkan is mostly interested in passports and identity documents, there have been a number of Australian killed for their passports."

Intelligence analysts in New Zealand believe Barkan, a former navy diver in the Israeli IOF, was trying to secure clean passports for use in Israeli terrorist operations in the region.

Barkan had grown up in Washington as Zev Bruckenstein, where his father was director of religious studies at a synagogue.

A New Zealand security official says his services have uncovered an Israeli operation to create al-Qaeda cells in Thailand.

The security official in Thailand said Israeli terrorist are posing as operatives of al-Qaeda.

Over the past nine months we have been investigating eight cases, 11 people informed us of this Israeli operation, asking Thai Landers to join al-Qaeda.

One email had even been signed by the al-Qaeda leader, Osama bin Laden. A New Zealand official said.

A New Zealand official said his services had traced back to Israel the phone calls and emails - purportedly from Germany and Lebanon and Pakistan.

We investigated the origin of those calls and found out they all came from Israel.

The people the Israelis tried to recruit were then given stolen Australian documents, and received money and weapons.

The money was provided by Israel directly to the recruits or was transferred from bank accounts in Jerusalem or Israel, said the New Zealand official.

Australia: Private Intelligence Company Monitors Activists Online for Police

A PRIVATE intelligence company has been engaged by police to secretly monitor Internet and email use by activist and protest groups, a report says.

The company was hired to monitor and report on the Internet activities of anti-war campaigners, animal rights activists, environmental campaigners, and other protest groups, Fairfax Media reported.

Victorian Police, the Australian Federal Police and the Federal Attorney-General's department hired it

A PRIVATE intelligence company has been engaged by police to secretly monitor Internet and email use by activist and protest groups, a report says.

The company was hired to monitor and report on the Internet activities of anti-war campaigners, animal rights activists, environmental campaigners, and other protest groups, Fairfax Media reported.

Victorian Police, the Australian Federal Police and the Federal Attorney-General's department hired it.

The Melbourne-based firm has for the past five years monitored websites, online chat rooms, social networking sites, email lists and bulletin boards, the report said.

It has gathered intelligence on planned protests and other activities, and many of those on the watch list have broken no laws, the report said.

It also prepared threat assessments and intelligence reports for government agencies that included material from media reports, speeches, academic journals and publicly available company data, but no private correspondence was monitored.

The company was not named at the request of its management for fear extremists may target the firm. The news comes a month after Victorian police were found to have targeted community and activist groups in a long-running covert operation.

Evidence 1 E)

Australian Defence Experts Targeted By Airline Bomb Over Pacific

Reports from Admiral Vladimir Vysotsky to President Medvedev are reporting today that Russia's Pacific Fleet has intercepted a 'distress call' from an Australian airliner reporting that a bomb had exploded onboard and was requesting 'immediate' landing rights to Philippines capital Manila.

Western media reports are also stating that an Australian Qantas jumbo jet 747-400 airliner with over 300 passengers was critically disabled over the Pacific Ocean while in route from London to Melbourne with the Associated Press News Service saying.

"Passengers who talked to the media at the airport described hearing an explosion and then oxygen masks were released...as the cabin's floor gave way, exposing some of the cargo beneath and part of the ceiling collapsed."

In a perplexing statement on this airline bombing, Scotland Yard issued an almost immediate press release stating that a bomb was not responsible for this near catastrophe, but is more than curious because no official investigations have yet started.

However, Scotland Yards statement stands in sharp relief to those made by British Aviation experts, and as we can read as reported by Britain's Telegraph News Service: - "David Learmount, Safety Editor at Flight International Magazine, said: "It's possible there was some kind of explosive device in the suitcases.

There's a hole where there shouldn't be.

He said the hole had exposed some bags in the hold, which are usually contained in metal containers.

"It's interesting to see them - how else could that be if not an explosion?"

Russian aviation experts in these reports are echoing their British counterparts and further point out that any type of mechanical failure on the part of Qantas Airlines would be 'nearly impossible' as they have one of the top safety ratings of all of the World's airlines and have never suffered a casualty in their entire history.

These reports also state that two of the passengers on board this Qantas airliner were top aides to Australian Defense Minister Joel Fitzgibbon who were returning from a NATO meeting in Europe where in a heated exchange with the Americans they reiterated Prime Minister Rudd's refusal to send more troops to Afghanistan.

Prime Minister Rudd had previously provoked the wrath of the Americans when upon his election victory he removed all of Australia's troops from Iraq and has warned that he will do the same for Australian troops in Afghanistan.

The United States War Leaders have long been suspected of 'engineering' the attacks upon their own people in the September 11, 2001 attacks along with bombing attacks in London, Bali and Madrid.

To 'encourage' their reluctant allies United Kingdom, Australia and Spain to join them in their War on Terror against the Muslim peoples of the World.

It is also interesting to note that US Secretary of State Condoleezza Rice was in Australia at the time of this near catastrophe on what is being described as a 'whirlwind visit', but which some Russian analysts believe was intended to have one of the US War Leaders 'on the ground' to 'sympathize' with the Australian people to spur out of them more troops.

To the question of if this latest attack was indeed another US-backed action to further their war aims at the expense of innocent civilians it is not to our knowing.

But, what is to our knowing is that there can be no underestimating the diabolical intrigues of the American War Leaders as their Nation continues it plunge into the abyss of Total War.

Summary: - So lets put some of this all together and lets see how infiltrated, corrupt and incompetent Australian Federal Police, ASIO, ASIS and State Police Forces are?

Evidence 1 A) We have ASIO, Federal Police along with lackey State Police Forces going about setting up Muslim Patsies in Fake Terrorist Plot Attacks.

Evidence 1 B) We have ASIO inviting a known liar who tried to palm off a Fake Pentagon "Al Qa`eda" Video and was called by the DPP as an Expert witness to help prosecute the Patsies in (Evidence 1 A).

Evidence 1 C) We have a Israeli Terrorist Cell Operating in Asia killing Australian Backpackers, stealing their ID's so then they can be used in "Al Qa`eda" Type Terrorist Attacks.

Evidence 1 D) Then we have some Private Company in Melbourne hired by the Police & ASIO to collect information about activist, protestors.

- Anybody want to bet they were mostly watching Palestinian Support Groups?

- Anybody want a bet they were most probably a Zionist Jewish run and operated Private Company?

Evidence 1 E) We have Australian Defense Force Personal nearly blown up on a Plane, which was used to "Blackmail" Australian Officials into supporting the Fake – Fraudulent America & Israeli WAR ON TERROR.

Lets Sign Off Evidence 1 Section With The Following Corrupt Politicians Up To Their Heads Involved With The Above.

Arbib Revealed As US Embassy Source

The US embassy in Canberra has used Labor right-wing powerbroker and Mark Arbib as a secret source, new leaked diplomatic cables show.

Senator Arbib was instrumental in former Prime Minister Kevin Rudd's deposition in June.

He is identified in the latest WikiLeaks release as a valued source of information on Labor politics and a supporter of Australia's military commitment in Iraq and the war on terror, The Age newspaper reported on Thursday.

The cable is another criticism of Mr. Rudd, who is now foreign minister.

"(Senator Arbib) understands the importance of supporting a vibrant relationship with the US while not being too deferential," an embassy profile on Senator Arbib from July 2009 says.

"We have found him personable, confident and articulate.

"He has met with us repeatedly throughout his political rise."

The documents also describe Senator Arbib as "an influential factional operator who has forged strong political connections with Rudd".

"We have been told that Rudd respects Arbib's political expertise, and a contact noted that Arbib is brought into Rudd's inner circle when politically important decisions are made," it said.

"Arbib is said to be loyal to, but frank with, Rudd, and is one of Rudd's closest advisers. Yet, publicly, Arbib has denied being part of Rudd's inner circle."

Mr. Rudd's reputation as a micromanager is again confirmed by one cable which said: "Rudd's staff would like to get their boss to spend less time on foreign policy and delegate more, but that they recognize that this is a hopeless task."

The cables also reveal that in October 2009, when Mr. Rudd's popularity as prime minister was waning, Senator Arbib told US diplomats that Mr. Rudd wanted "to ensure that there are viable alternatives to Gillard within the Labor Party to forestall a challenge".

Mr. Rudd's brother, Greg Rudd, had told embassy officers a similar story, The Age said.

What the Australian people think!

These are some of the 176 responses of what the Australian people think.

Is anybody acting on or doing what the Australian people think, feel, and want?

Nope - Nobody

- 1) So now we know why Obama twice delayed his trip to Australia to meet Rudd.... 'Cos Rudd wouldn't be in office or, at the very least, would be out within days of Obama leaving.... then the media would be headlining: "Obama Wanted Rudd Out"
- 2) I can't, for the life of me, understand why Arbig has such influence.... the guy failed in the World Cup bid... and, without being unfair, the guy looks like an embryo
- 3) Oh, Obama... he visits Indonesia, NOT a country whose sons are dying for a war he won't stop. But he won't come here, a country that unquestioningly does so. He's a pig.
- 4) Sounds like the whole western world system is the PIG maybe we could go back to the old system when the People ran the system and not the Corrupt Governments
- 5) Sounds like treason too me!

- 6) I don't get it - we've got Assaunge being chased and condemned by governments for WikiLeaks - but then we've got Arbib and KRudd and all the rest who regularly take a leak, also. Sure, I know that WikiLeaks is much bigger, but I would have thought that the polities themselves have set the precedent.
- 7) Lock Arbib up - So what? America gets to decide who our PM is??
- 8) Obama is just like 50% of all other blacks - RACIST. Why would he come here? We are only scarifying our men and woman for his bloody OIL GRAB. Well its really George Bush' oil grab but now is Obama. AntiChrist, - We are are doomed.
- 9) With so much division within the Labor party it appears they spend most of their time protecting their backs from one an other, no wonder there in such a mess, one can only hope the independents who put these clowns in power wake up and force a new election soon.
- 10) The Labor party becomes more of a joke by the day. I wonder what the weak Gillard will now do???. Nothing I expect because the 'faceless men' will protect Arbib, and they have her on skates ready for the Shorten axe to fall. What a mess Labor has put this country in and what a joke we must appear.
- 11) So, I'm assuming Arbib is shortly to be arrested on charges of treason, correct? He's been working as a spy for a foreign nation against the interests of Australia.

- 12) Senator Mark Arbib should be charged with "TREASON" tried and prosecuted and thrown out of Parliament, I want everybody to read the story again and I quote "He has met with us repeatedly throughout his political rise." (What is he doing having secret meetings behind close doors with the Americans?) He is not in any position to have secret meetings nor does he need them, the Commonwealth Of Australia Constitution Act States. 43. A member of either House of Parliament shall be...
- 13) MR Arbib, you are a traitor to this country will we see a PUBLIC HANGING like we should have for all Corrupt Politicians until we get honest people running this Place.
- 14) So, I'm assuming Arbib is shortly to be arrested on charges of treason, correct? He's been working as a spy for a foreign nation against the interests of Australia.
- 15) Senator Mark Arbib is a traitor to Australia by having secret meetings with the Americans, the Commonwealth Of Australia Constitution Act States Chapter I. The Parliament. Part IV - Both Houses of the Parliament 43. A member of either House of Parliament shall be incapable of being chosen or of sitting as a member of the other House. 44. Any person who – (I.) Is under any acknowledgement of allegiance, obedience, or adherence to a foreign power, or is a subject or a citizen or entitled to...

- 16) This is the price Australians have to pay to be a part of the "Free world" alliance Join the few people with the balls to make their stand and don't lick Butt stand up for what is right like our forefathers died for.
- 17) Treason!
- 18) I wonder how many other spies they have planted in our system. Is he being paid for his info? Or is he one of those with a big mouth and an out-of-control EGO. The Australian government should now charge him under the Espionage Act with TREASON. Treason in other countries is punishable by death however here Julia will pat him on the back and he won't even loose his job. My, my they are supposed to be our ally and friend, however it is not new to me. Good on you Mr. Assange, expose these...
- 19) Would Mark Arbib's actions equate to Espionage and would that make him a potential Terrorist or enemy of the State under the Law or will he continue to get promotions over an arrest?
- 20) Thank wikileaks for shining a light on this unpatriotic traitor. From now on all politicians are on notice, do good for your fellow man and most of all your country. So when is he being locked up?
- 21) What a disgraceful little worms Arbib is, but then most politicians are disgraceful little worms, so he's in good company.

- 22) Arbib should face treason charges, no matter Rudd's qualifications, he was our choice and not up to the yanks, perhaps we should end diplomatic relations with them if we are such a back water to them.... we send our sons and daughters to die for their so called "intelligence" bungle. Send arbib over there.
- 23) This bloke's an elected official of the Australian Government. If he colludes with the Yanks, that is tantamount to espionage and he should be charged as a traitor and jailed! I agree with Michael. He should be charged by the Federal Police for not acting in the best interests of the country. Lock him up!
- 24) Has anyone got the intestinal fortitude to demand an inquiry into Mark Arbib and his spy like behavior and the leaking of Confidential Government matters to a Foreign Country, does this kind of behavior also mean that the Americans are guilty of breaking the Law and if so, will anyone in the Australian Government do something about it, like take Legal action to make them accountable for those actions? Does this make Mark Arbib's position " untenable " as he would now be?

They are some of the comments left
On the Yahoo News site after AAP reported that
story, Is anybody doing what some of the Australian
people think and feel in their comments?

NOPE – Nobody

Evidence 2)

Now Lets Have a Look At Who The Real Terrorist Are Israeli Mossad & IDF

There is so much from the files to report on these “Evil – Nasty – Murdering – Creatures” it’s hard to know where to begin.

The following what your about to read All Police, Military and Intelligence Agencies know about, also the lying Politicians and Mainstream Media in Western Countries.

The fact NONE – that means NONE of it is reported except in the Independent News & Current Affairs Alternative Media shows and proves how these creatures have infiltrated everything at the highest level and order a “Black-Out” of any reporting, and the “Cover-Up” soon as crimes carried out by Israeli Mossad & IDF happens.

So lets go back 10 years to 11th Sept 2001 and report what the Mainstream Media TV, Newspapers, Radio Stations, and what corrupt brought and paid for Politicians, Police, Military and Intelligence Chiefs wont report and tell you about.

All what your about to read is Public knowledge You can find it all on the Internet, that is Why most Western Country Nazi – Fascist Governments which have fallen to them want Internet Filters and control to stop you from researching and reading the below.

Evidence 2) Introduction

The Truth Israel & Mossad Did 11th Sept 2001 Attacks

Get ready to be awoken to the truth of what happened this day.

Sept 11th 2001 Terrorist Attacks in New York, USA was "A False Flag Terrorist Attack" upon United States of America, concocted by a handful of Israelis and dual passport Americans and carried out by the resources of the Mossad, CIA, US Military, FBI and NSA with all other agencies and Government Depts falling in line behind them and the Official Story released to the Mainstream Media.

With Vice President Dick Cheney transferring all operational powers over the Police, FBI, CIA, NSA, Secret Service, US Military over to himself for the day, and ran Anti - Terrorism Drills / Exercises with the US Military as cover for this "False Flag" Terrorist Attack to go ahead.

By Dick Cheney running these drills – exercises at the same time as the real suppose to be Terrorist Attack happening he tied up America's resources from fighting back.

What Dick Cheney did was to commit "Treason" he helped stage a Terrorist Attack against his own country, killing his own people in cold blood.

Then to cover his crimes up he authorized the set up of an assassination squad to go about and kill any World Leader, Politician, Journalist, TV Producer, Independent Bloggers – Reporters in the world who tried to expose Bush – Cheney crimes and this "False Flag" Terrorist Attack.

Please read more here: - Seymour Hersch: 'Executive Assassination Ring' Reported Directly to Cheney Office
"They've been going into countries, not talking to the ambassador or the CIA station chief, and finding people on a list and executing them and leaving"

<http://www.thetruthseeker.co.uk/article.asp?ID=10330>

While all this was happening already drawn up and sitting on the desks of Attorney Generals Office was (Patriot Terrorism Laws) already written, drawn up ready to be introduced into certain countries that had already fallen to these Nazi – Fascist murdering, thieving dogs who had secretly already decided to turn their countries into Police States without the consent of the people of the country.

Countries included: - United States, Canada, Mexico, Australia, England, Germany, France, Holland, Denmark, and Italy and a range of other NATO countries.

Motive behind Sept 11th 2001 Terrorist Attacks

Realization of the goals as formulated in the policy paper Clean Break,

http://en.wikipedia.org/wiki/A_Clean_Break:_A_New_Strategy_for_Securing_the_Realm

As well as the realization of the goals of the Project of the New American Century

http://en.wikipedia.org/wiki/Project_for_the_New_American_Century

It all comes down to the strengthening of the American global supremacy by creating an excuse for obtaining a larger military presence in the Middle East where some 60 percent of the global oil reserves are located.

(PNAC-goal), as well as improvement of the geo-strategic position of Israel by eliminating its most important enemies (Iraq, Iran, Syria → Clean Break-goal).

The link with oil explains why people like Dick Cheney were on-board somebody who made his career in the oil business and perfectly understood that oil was becoming scarce in the near future ('peak-oil').

So after the 11th Sept 2001 Terrorist Attacks United States of America declares A War On Terror upon the Whole World, using Terrorism as an excuse to cover the above goals, ambitions, objectives.

The Bush – Cheney administration created the illusion that the motherland America was under attack from this mythical – unseen, all knowing enemy “Al Qa`eda” and Bin Ladden which have a office on every street corner recruiting Jihad Muslims, War Protestors, 911 Truthers, etc to fight against motherland America and just want to attack them because they are jealous of their freedoms.

The corrupt, incompetent, compliant, obedient media mostly Zionist Jewish controlled propagated even until today this mythical Al Qa`eda is out to attack America.

It's a mass brainwashing – conditioning being perpetrated upon the people of the world, by branding Muslims as Terrorist, getting your Military, Police and Intelligence Agencies to carry out Terrorist Attacks and then arresting some patsy for the attack.

Conditioning people, so when the next country comes about for these Zionist Criminals to invade people wont feel sorry for the people of that country.

Notice on the Map all the countries the "Clean Break Plan" and "Project For The New American Century" recommend to invade, overthrow and take their resources.

CIA, French Intelligence kill 4, captures 5 Israelis in NY subway attack

CIA, French intelligence kill 4, captures 5 Israelis in NY subway attack Date: Thursday, October 6 2005

U.S. media and NY officials called the incident a "significant, specific threat" New York City -- October 6, 2005 Earlier this evening intelligence members of the American-French Alliance stopped an attempt by Israeli Mossad operatives to blow up the New York City subway, according to national security and U.S. intelligence expert.

The federal whistleblower said four Israelis were killed in the altercation and five more were captured just minutes after virtually all U.S. cable news channels, network TV outlets and New York Mayor Richard Bloomberg were reporting their own version of the incident, saying that New York City was "facing a significant, specific threat" in the city's subway.

CNN had the information but host Anderson Cooper did not report the real story to the American people.

One alleged radiation hot spot on Manhattan's east side has the potential for becoming a political hot spot.

A strong radiation spike from the area of the Israeli Embassy.

Officials would not comment on why they thought that particular area allegedly showed such a stunning peak in radiation.

FBI Fury As Men With Nuke Plans, Valid Israeli Passports Escape

2nd Nov 2011

WASHINGTON - With America on top security alert, the FBI was hunting yesterday for six men of Middle Eastern appearance carrying plans of a nuclear power plant and the Trans-Alaska oil pipeline who were picked up by police in the Midwest over the weekend but then released.

The incident is thought to be connected with the latest FBI alert and senior intelligence officials are furious that the men were set free before they could be fully questioned.

The men were traveling in two groups of three in white saloon cars when they were pulled over by police officers in the Midwest, according to the Knight Ridder News Service. Security officials have refused to disclose further details.

The men were searched and questioned and the state officers discovered detailed plans and photographs of a nuclear power plant in Florida, along with box cutters-the weapons used in the September 11 attacks- and other equipment.

Immigration officials then interviewed the men, who appeared to be of Middle Eastern origin and held Israeli passports.

When their passports and visas were found to be in order the officers, who were not aware of the country's imminent security alert, let the men go without first calling in the FBI to question them more thoroughly.

It is not clear why the men were pulled over in the first place nor why intelligence officers were not given a chance to interview them.

Agents suspect that the men will by now have switched cars and tried to flee the country, possibly to Canada.

Intelligence officials were especially concerned about the nuclear plant details.

America's nuclear facilities received special attention in the latest FBI alert.

The men were also carrying plans of the 800-mile Trans-Alaska pipeline, which delivers 17 per cent of America's oil.

There are three nuclear facilities in Florida, which have now been advised to step up security.

One of the plants has called in local police as an extra security precaution.

The news came as the US banned private flights near US nuclear facilities for the next ten days, in connection with the warning of another terrorist attack, and National Guard troops were deployed at nuclear power plants in three southern states.

The Nuclear Regulatory Commission ordered the nation's 103 nuclear power plants to increase security.

At a time when police have unprecedented powers to arrest and detain people who are merely suspected of having links to terrorist activities, the release of these six men has infuriated the FBI.

The incident suggests a dangerous lack of co-ordination between different law enforcement bodies.

Under America's new anti-terrorist laws, police can hold someone almost indefinitely on charges of being a "material witness" to terrorism.

Canada announced that it had given the US important intelligence about another possible imminent terrorist attack.

Canadian secret services intercepted telephone calls and e-mails from al-Qaeda operatives in Canada that referred to a major event-taking place "down south" this week.

Law enforcement officials said that the US military intercepted numerous other calls leading up to the alert, which all used the same coded phrases.

The FBI received intelligence about the new threat on Monday.

Evidence 2 D)

Montreal 911 Truth Movement Averts Mossad Metro Terror Plot

Recently the makings of a plot for a 7/7 style terrorist attack by Israeli Mossad terrorists against Montreal's Metro was exposed.

Who discovered this?

Was it the RCMP, the globalist police force that has made a name for itself by taser torture of Canadians and high corruption?

No, we can't count on the RCMP for anything other than backing Harper and his Zionist terrorist propaganda.

Was it CSIS, the intrepid national security outfit that watched as the Air India bombers plotted mass death but did nothing to stop it?

No, CSIS can be counted on to do nothing while Canada is in danger.

The government will not stop the next terror attacks planned for Canada, because they are intimately involved with the masters of false flag terror, the Isrealis.

Pro-Israel Zionists placed by treasonous Canadian politicians now hold important posts in Canada's Parliament(the Isreali allies caucus), Supreme Court, and the CBC.

Other Israeli agents own media monopolies, like CanWest Global, which always stresses the pro-Israel side, and conspires to swindle Canadians with War on Terror propaganda.

They actually want a terror attack on Canada, so they can pour on even more propaganda for Israel inspired wars.

In a country full of enemies in the top government posts, who saved Canada from a 7/7 attack by pointing out the preparations for terror?

It was the "conspiracy theorists."

They did research on Verint -the company that got the contract for video surveillance of Montreal's Metro subway system- and found connections to the terrorist Israeli Mossad.

No secret police is necessary, it is plain to see that averting terror involves watching the scum in power and who they are dealing with.

Much thanks to Montreal 911 Truth for exposing the Israeli terrorist connections to the Metro security company, and possibly averting the Canadian 7/7.

Mtl 911 truth released a documentary showing that companies tied to the terrorist state of Israel's intelligence are surveilling the transit system.

In the 7/7 attacks on Britain, video surveillance was tampered with.

State terror plots like 7/7 required that the video be under the control of the conspirators, so the manufactured story (Arab terrorists) would appear seamless.

Who knows how long before "D-Day" would have hit Montreal if this had not been discovered?

The attacks would have been blamed on Arabs, Stephen Harper and Stockwell Day would make speeches about the need to stand by the noble Israelis in the War on Terror, and the Zionist dream of endless war for Canada in Israel's interests would be fulfilled.

The Israeli terrorist friend Benjamin Netanyahu would be invited to speak at huge state sponsored Red Friday rallies, telling us how Israel feels our pain.

Harper would enact the new terror legislation they no doubt have waiting in the wings just as the PATRIOT ACT was released way too soon after the 9/11 attacks, almost like they were expecting it.

This is not the first time that Israeli companies have done "security", in the lead up to terror.

Remember a fateful day now known as 9/11?

<http://arkansas.indymedia.org/newswire/display/21040/index.php>

Below are 2 historic documents of interest to 9/11 and its Logan Airport, Boston, Massachusetts connections.

One is a press release from the Israeli run U.S. penny stock 'security' company named ICTS International that 'guarded' or 'protected' both Logan and Newark, New Jersey airports on 9/11/01.

ICTS International perhaps had duties in Dulles Airport as well as the Marvin Bush-Al-Sabah Securacom.

So in both cases we have non-American 'security' although the Al-Sabah and Bush connection to both Dulles and the WTC security should have been scrutinized much more than W Bush allowed, including his father and ex-president George Herbert Walker Bush's role in bringing Kuwaitis to be in charge of guarding strategic U.S. airports and real estate in the first place !

Evidence 2 E)

Israelis Inadvertently Admit Complicity in 9/11 Attacks

"Our purpose was to document the event."

Watch this one-minute video from You tube, and you will hear one of the five "Dancing Israelis" step on his own sword.

This is a clip from an Israeli talk show from November 2001, with simultaneous translation from Hebrew to English.

http://www.whatreallyhappened.com/arrested_israelis.html

For those who do not already know, on the morning of September 11, 2001, a New Jersey housewife by the name of "Maria," observed five suspicious men in her apartment complex.

The five young men were filming the burning WTC towers, jumping up and down, cheering, and high-fiving each other.

They were also lighting their lighters and holding them up in the air, as if at a rock concert.

While the rest of the country was in a state of shock and tears, these five Israelis were clearly celebrating our nation's greatest at-home tragedy.

Maria called the police.

The police stopped the van the five Israelis were traveling in and found \$4,700 in cash, fake IDs and passports, and box cutters.

(There must have been a sale on Box cutters at Bunnings Hardware readers will remember the 19 suppose to be hijackers also had Box cutters)

The possibly incriminating statement, "Our purpose was to document the event." can basically be interpreted in one of two ways.

1) These five Israelis were not Mossad agents. They just happened to be there at the time of the event and videotaped it. They had no foreknowledge. They videotaped the event with the purpose of documenting it. -Like a lot of other people on that fateful day.

2) The five Israelis were Mossad agents, in which case one would be naïve to believe that they had nothing to do with it. We must assume that they in all likelihood had foreknowledge and were part of the plot. In this case their purpose may well have been "to document the event".

"2 Found With Video Of Sears Tower"

Michelle Mowad

Special to The Mercury October 17, 2001

PLYMOUTH -- Two men whom police described as Middle Eastern were detained in the township by federal immigration authorities after being found with detailed footage of the Sears Tower in Chicago.

Plymouth Police encountered the men after an officer responded to Pizzeria Uno on the 1000 block of West Ridge Pike at 2:40 p.m.

Thursday for a report of illegal dumping, according to reports.

A manager there advised the police officer that a tractor-trailer was observed backed up to the dumpster at the rear of the restaurant.

The manager noticed a freshly dumped pile of furniture adjacent to the dumpster, according to police.

The manager confronted the vehicle's operator, a Middle Eastern man, police said.

The man, who later identified himself as Moshe Elmakias, 30, denied that he did anything and fled the scene, heading west on West Ridge Pike, according to police.

The manager was able to provide township police with the Florida registration number of the tractor-trailer and said that a sign posted on the side of the vehicle read "Moving Systems Incorporated" and included a phone number, police said.

The area was searched by township police, and the vehicle was spotted parked on the curb in front of John Kennedy ford on Ridge Pike, Just west of Industrial Way.

An officer proceeded to make contact with the occupants of the truck by knocking on the cab, according to reports.

A Middle Eastern man, later identified as Ron Katar, 23, exited the sleeper area of the cab and said that the operator was across the street as he pointed toward the Don Rosen porsche dealer, reports said.

Elmakias and a white female, Ayelet Reisler, 23, were approaching the vehicle from the dealership, but the female then began walking in a different direction, acting as if she were not with Elmakias, according to reports. Reisler was detained and checked for identification.

She had a German passport in her name and medication in a different name, police said.

Plymouth Police Sgt. Thomas Longo was notified and responded to the incident.

Elmakias allegedly admitted to being behind Pizzeria Uno, although he said that he did not dump furniture, he was only turning around.

Elmakias said that his destination was New York and that he was also coming from New York.

He said he was in Plymouth because he was supposed to make a pickup from a male in the morning and pointed toward the Storage USA facility on Belvoir Road and West Ridge Pike, police said.

Elmakias could not, however, provide a name or telephone number of the customer.

Township police dispatched a request for a Motor Carrier Safety Assistance Program Inspector.

Officer Gerald Schwartz of the Whitpain Police Department responded.

Schwartz discovered through his investigation that the operator's log had been falsified and put the truck out of service due to violations, police said.

In addition, the vehicle reportedly had numerous equipment violations that rendered the truck unsafe.

Inspection of the tractor-trailer's contents revealed a load three-quarters full containing household items, including furniture and boxes.

Among the items in the truck was a Sony video camera.

Plymouth Police Officer David McCann reviewed the tape found inside the camera.

The tape had video footage of Chicago with zoomed-in shots of the Sears Tower, according to police.

The Federal Bureau of Investigation was notified of the incident and all three subjects were transported to the Plymouth Police station.

The subjects were then processed through the National Crime Information center and placed into detention, according to the report.

FBI Agents James Sweeney and Richard Tofani arrived at the station and proceeded to investigate both the subjects and their belongings with the assistance of Immigration and Naturalization Services.

Elmakias and Katar were eventually detained by INS and transported to a federal facility, said police.

Reisler was released.

All evidence collected by Plymouth and Whitpain officers was transferred to federal facilities with the exception of a VCR.

Special Agent Linda Vizi, as spokeswoman for the Philadelphia and FBI, could not be contacted for comment on further investigations."

The question of the nationality of the detained Middle Eastern men can be found in other newspapers.

On Saturday, September 15th, The Record of New Jersey ran an article by Adam Lisberg.

An excerpt follows: "Closer to New York, FBI agents and Bergen County Sheriff's Department crime scene technicians spent three hours Thursday night searching the Weehawken headquarters of Urban Moving Systems at 3W 18th St.

Investigators first became interested in the business after witnesses reported Tuesday that three men seemed to celebrate the World Trade Center explosions in Liberty State Park, then drove away in a company van. ' To the best of my knowledge, my client Urban Moving Systems and Dominik Suter are not targets,' said attorney Jay Hamill of Jersey City.

'This is an informational situation. We're cooperating completely and have objected to nothing they've requested.'

Agents took pictures inside the company's office Thursday night and seized 13 computer hard drives.

They also showed a keen interest in the roof, which had a very clear view of the World Trade Center until Tuesday.

Half-dozen agents searched the roof with flashlights and appeared particularly interested in the sight lines from the roof toward downtown Manhattan.

East Rutherford police stopped an Urban Moving Systems van on Route 3 Tuesday and detained five men inside, at least some of them company employees.

The occupants said they were all Israelis.

They were being detained because they are in violation of immigration regulations, and all have expressed a desire to leave the country on their own, according to an Immigration and Naturalization Service spokesman.

An employee of Urban Moving Systems, who would not give his name, said the majority of his co-workers are Israelis and were joking on the day of the attacks.

I was in tears,' the man said.

'These guys were joking and that bothered me.

These guys were like, "Now America knows what we go through."

The identities and nationalities of the employees were confirmed by the Jerusalem Post.

What authorities have not elaborated on is the connection between the confiscated Sears Tower video that was found in Pennsylvania and the antics of Urban Moving System's employees.

Additionally, the INS has recently signed papers that will allow the detained Israeli's to be deported without having to stand trial for possible involvement in the events of September 11th.

Was the fourth plane headed toward the Sears Tower before it made an abrupt turn over Ohio?

THE MIRACLE OF PASSOVER

Nearly 500 foreign-born nationals from over 80 different nations were killed in the World Trade Center.

As a center of world trade and finance this is not surprising.

It is also commonly known that many Israelis work in the field of international trade and finance.

The laws of probability dictate that among the nearly 500 dead foreign nationals, from over 80 different nations, there should have been a considerable number of Israelis.

But the number of Israeli dead was suspiciously low, especially when we consider the report, contained in the September 12 Jerusalem Post, that the Israeli embassy in America was bombarded on 9-11 with calls from 4000 worried Israeli families.

George Bush had told the US Congress that he also mourned the deaths of foreign citizens including "more than 130 Israelis".

But Bush was either misinformed or he was lying.

The actual number of Israeli dead at the WTC was far less than 130.

It was far less than 100.

It was far less than 50.

It was far less than 25.

It was far less than 10.

It was.... zero!

That's right!

Zero Israeli nationals lost their lives in the WTC while citizens from over 80 different nations, including such powerhouses of world trade and finance as Granada, Bermuda, Ireland, and the Philippines, all lost people in the WTC.

(One Israeli was killed aboard each of the two flights that crashed into the WTC. None were actually killed inside the WTC.)

We learned earlier about the employees of the Israeli instant messaging company Odigo, who were anonymously informed of the attacks two hours before they took place.

Even more intriguing than the Odigo warnings was the narrow escape of 200 employees of an Israeli government run company called Zim Israel Navigational.

With over 80 vessels, Zim Navigational is the 9th largest shipping company in the world.

Just one week before 9-11, Zim Navigational moved out of its World Trade Center offices with over 200 workers.

Company spokesperson Dan Nadler said: "When we watched the pictures, we felt so lucky.

Our entire US operations were run out of the 16th floor." Zim moved to Virginia. Nadler added that the aim of the sudden move "was to save on rent".

Somehow the claim that a major global shipping firm, backed up with government money, needed to save a few bucks on rent lacks credibility.

And oh what perfect timing!

So who tipped off Zim?

Who tipped off Odigo?

Who tipped off those Pentagon officials?

Who tipped off those Israeli workers in New York?

I think it's safe to say it wasn't Osama Bin Laden from his cave in Afghanistan!

Evidence 2 H)

THE FIVE ISRAELIS ARRESTED ON 9-11, by Michael Rivero (of What Really Happened)

<http://www.whatreallyhappened.com/fiveisraelis.html>

On the day of the 9-11 attacks, former Israeli Prime Minister Benjamin Netanyahu was asked what the attack would mean for US-Israeli relations.

His quick reply was: "It's very good.....Well, it's not good, but it will generate immediate sympathy (for Israel)"

As the world watched in disbelief and asked the question...

...Mossad operatives were seen dancing with joy.

A Mossad surveillance team made quite a public spectacle of themselves on 9-11. Police received several calls from angry New Jersey residents claiming "middle-eastern" men with a white van were videotaping the disaster with shouts of joy and mockery.

"They were like happy, you know ... They didn't look shocked to me" said a witness.

http://abcnews.go.com/sections/2020/DailyNews/2020_whitevan_020621.html

They were seen by New Jersey residents on Sept. 11 making fun of the World Trade Center ruins and going to extreme lengths to photograph themselves in front of the wreckage.

http://www.whatreallyhappened.com/arrested_israelis.html

Witnesses saw them jumping for joy in Liberty State Park after the initial impact.

Later on, other witnesses saw them celebrating on a roof in Weehawken, and still more witnesses later saw them celebrating with high fives in a Jersey City parking lot.

"It looked like they're hooked in with this. It looked like they knew what was going to happen when they were at Liberty State Park."

One anonymous phone call to the authorities actually led them to close down all of New York's bridges and tunnels.

The mystery caller told the 9-1-1 dispatcher that a group of Palestinians were mixing a bomb inside of a white van headed for the Holland Tunnel. Here's the transcript from

NBC News: Dispatcher: Jersey City police.

Caller: Yes, we have a white van, 2 or 3 guys in there, they look like Palestinians and going around a building.

Caller: There's a minivan heading toward the Holland tunnel, I see the guy by Newark Airport mixing some junk and he has those sheikh uniform.

Dispatcher: He has what?

Caller: He's dressed like an Arab.

<http://www.wnbc.com/news/1315651/detail.html>

Why would this mystery caller specifically say that these "Arabs" were Palestinians?

How would he know that?

Palestinians usually dress in western style clothes, not "sheikh uniforms"

Based on that phone call, police then issued a "Be-on-the-Lookout" alert for a white mini-van heading for the city's bridges and tunnels from New Jersey.

When a van fitting that exact description was stopped just before crossing into New York, the suspicious "middle-easterners" were apprehended.

Imagine the surprise of the police officers when these terror suspects turned out to be Israelis!

According to ABC's 20/20, when the van belonging to the cheering Israelis was stopped by the police, the driver of the van, Sivan Kurzberg, told the officers

"We are Israelis. We are not your problem. Your problems are our problems. The Palestinians are your problem."

The police and FBI field agents really became suspicious when they found maps of the city with certain places highlighted, box cutters (the same items that the hijackers supposedly used), \$4700 cash stuffed in a sock, and foreign passports.

Police also told the Bergen Record that bomb sniffing dogs were brought to the van and that they reacted as if they had smelled explosives.

The FBI seized and developed their photos, one of which shows Sivan Kurzberg flicking a cigarette lighter in front of the smouldering ruins in an apparently celebratory gesture.

The Jerusalem Post later reported that a white van with a bomb was stopped as it approached the George Washington Bridge. Of Course, the Post did not reveal the true ethnicity of the suspects.

Here's what the Jerusalem Post reported on September 12, 2001: "American security services overnight stopped a car bomb on the George Washington Bridge"

"The van, packed with explosives, was stopped on an approach ramp to the bridge. Authorities suspect the terrorists intended to blow up the main crossing between New Jersey and New York, Army Radio reported."

http://www.virtualjerusalem.com/news/lateststories/?disp_feature=pHaGfq.var

TCM Breaking News reported that the van was laden down with tonnes of explosives

<http://archives.tcm.ie/breakingnews/2001/09/12/story23429.asp>

Is it pure coincidence that 'al Qaeda' use huge truck bombs as a hallmark of their terror campaign?

What's really intriguing is that ABC's 20/20, the New York Post, and the New Jersey Bergen Record all clearly and unambiguously reported that a white van with Israelis was intercepted on a ramp near Route 3, which leads directly to the Lincoln Tunnel.

But the Jerusalem Post, Israeli National News (Arutz Sheva), and Yediot America, all reported, just as clearly and unambiguously, that a white van with Israelis was stopped on a ramp leading to the George Washington Bridge, which is several miles north of the Lincoln Tunnel.

It appears as if there may actually have been two white vans involved, one stopped on each crossing.

This would not only explain the conflicting reports as to the actual location of the arrests, but would also explain how so many credible eye-witnesses all saw celebrating "middle-easterners" in a white van in so many different locations.

It also explains why the New York Post and Steve Gordon (lawyer for the 5 Israelis) originally described how three Israelis were arrested but later increased the total to five.

Perhaps one van was meant to drop off a bomb while the other was meant to pick up the first set of drivers while re-crossing back into New Jersey?

If a van was to be used as a parked time-bomb on the GW Bridge, then certainly the drivers would need to have a "get-away van" to pick them up and escape.

And notice how the van (or vans) stayed away from the third major crossing -the Holland Tunnel- which was where the police had originally been directed to by that anti-Palestinian 9-1-1 "mystery caller".

A classic misdirection play.

From there, the story gets becomes even more suspicious. The Israelis worked for a Weehawken moving company known as Urban Moving Systems.

An American employee of Urban Moving Systems told the Record of New Jersey that a majority of his co-workers were Israelis and they were all joking about the attacks.

The employee, who declined to give his name said: "I was in tears.

These guys were joking and that bothered me."

These guys were like, "Now America knows what we go through.

<http://www.whatreallyhappened.com/sears.html>

A few days after the attacks, Urban Moving System's Israeli owner, Dominick Suter, dropped his business and fled the country for Israel.

He was in such a hurry to flee America that some of Urban Moving System's customers were left with their furniture stranded in storage facilities.

<http://www.state.nj.us/lps/ca/press/storage.htm>

It was later confirmed that the five detained Israelis were in fact Mossad agents.

<http://www.forward.com/issues/2002/02.03.15/news2.html>

They were held in custody for 71 days before being quietly released.

Some of the movers had been kept in solitary confinement for 40 days.

http://abcnews.go.com/sections/2020/DailyNews/2020_w hitevan_020621.html

Several of the detainees discussed their experience in America on an Israeli talk show after their return home.

Said one of the men, denying that they were laughing or happy on the morning of Sept. 11, "The fact of the matter

is we are coming from a country that experiences terror daily. Our purpose was to document the event."

http://abcnews.go.com/sections/2020/DailyNews/2020_w_hitevan_020621.html"

How did they know there would be an event to document on 9/11?

It doesn't take Sherlock Holmes to connect the dots of the dancing Israeli Mossad agents - here's the most logical scenario:

1. The Israeli "movers" cheered the 9-11 attacks to celebrate the successful accomplishment of the greatest spy operation ever pulled off in history.
2. One of them, or an accomplice, then calls a 9-1-1 police dispatcher to report Palestinian bomb-makers in a white van headed for the Holland Tunnel.
3. Having thus pre-framed the Palestinians with this phone call, the Israeli bombers then head for the George Washington Bridge instead, where they will drop off their time-bomb van and escape with Urban Moving accomplices.
4. But the police react very wisely and proactively by closing off ALL bridges and tunnels instead of just the Holland Tunnel. This move inadvertently foils the Israelis' misdirection play and leads to their own capture and 40 day torture.
5. To cover up this story, the U.S. Justice Department

rounds up over 1000 Arabs for minor immigration violations and places them in New York area jails. The Israelis therefore become less conspicuous as the government and media can now claim that the Israelis were just immigration violators caught in the same dragnet as many other Arabs.

6. After several months, FBI and Justice Department "higher-ups" are able to gradually push aside the local FBI agents and free the Israelis quietly.

The US government immediately attributed Osama bin Laden to the 9/11 attacks even though he had no previous record of doing anything on this scale. Immediately after the Flight 77 hit WTC 1 CIA Director George Tenet said

"You know, this has bin Laden's fingerprints all over it."

http://abcnews.go.com/onair/DailyNews/sept11_moments_1.html

The compliant mainstream media completely ignored the Israeli connection.

Immediately following the 9-11 attacks, the media was filled with stories linking the attacks to bin Laden.

TV talking heads, "experts", and scribblers of every stripe spoon-fed a gullible American public a steady diet of the most outrageous propaganda imaginable.

We were told that the reason bin Laden attacked the USA was because he hates our "freedom" and "democracy".

The Muslims were "medieval" and they wanted to destroy us because they envied our wealth, were still bitter about the Crusades, and were offended by Britney Spears shaking her tits and ass all over the place!

But bin Laden strongly denied any role in the attacks and suggested that Zionists orchestrated the 9-11 attacks.

The BBC published bin Laden's statement of denial in which he said: "I was not involved in the September 11 attacks in the United States nor did I have knowledge of the attacks.

There exists a government within a government within the United States.

The United States should try to trace the perpetrators of these attacks within itself to the people who want to make the present century a century of conflict between Islam and Christianity.

That secret government must be asked as to who carried out the attacks.

The American system is totally in control of the Jews, whose first priority is Israel, not the United States."

<http://www.public-action.com/911/oblintrv.html>

You never heard that quote on your nightly newscast did you?

To date, the only shred of "evidence" to be uncovered against Bin Laden was a barely audible fuzzy amateur video that the Pentagon just happened to find "lying around" in Afghanistan.

How very convenient (and how very fake!).

White House reneges on proof of bin Laden's guilt

<http://www.wsws.org/articles/2001/sep2001/bush-s29.shtml>"

The administration's lame attempt to justify its about-face indicates three things first, it has no serious evidence linking bin Laden directly to the September 11 atrocities second, it is in considerable internal disarray and third, it feels it can lie without limit and get away with it because it has the services of a thoroughly reactionary and controlled media.

There is no evidence, be it hard or circumstantial, to link the Al Qaeda "terrorist network" to these acts of terror, but there is a mountain of evidence, both hard and circumstantial, which suggests that the Zionist Mafia has been very busy framing Arabs for terror plots against America.

One last thing.

At 09:40 on 9/11 Abu Dhabi television reported that the Democratic Front for the Liberation of Palestine claimed responsibility for the attacks.

<http://www.rte.ie/news/features/oneyearon/timeline.html>

The DFLP leader Qais abu Leila who said it had always opposed immediately denied this claim "terror attacks on civilian targets, especially outside the occupied territories."

<http://edition.cnn.com/2001/WORLD/europe/09/11/trade.centre.reaction/>

Why would a Palestinian organization comprising of less than 500 people make the suicidal move of immediately claiming responsibility for the attacks?

http://en.wikipedia.org/wiki/Democratic_Front_for_the_Liberation_of_Palestine

One thing is for sure - if the Israelis had successfully framed the Palestinians for the 9/11 attacks then Ariel Sharon and his government would have had the perfect excuse to expel the Palestinian population from the West Bank and Gaza Strip because the citizens there would have been labeled as terrorists.

Sharon and the other Israeli leaders aspire to fulfill what the goals of the political Zionist movement have been since its origin a century ago to turn all of historic Palestine into an exclusively Jewish state.

A central tenet of the Zionist ideology is expressed in the racist slogan, "A land without people for a people without a land."

Attached to "The Taliban Home Video" you will find a copy of a March, 1977 CNN interview with bin Laden, conducted by Peter Arnett.

Compare the content and the style of bin Laden's remarks in the 1977 CNN interview with the content and style of bin Laden's remarks in the September 28, 2001 Ummat interview. Yes, it is the same man, all right.

It appears to me that the Ummat interview is authentic.

Evidence 2 I)

Comment: Remember how the Official story line goes 19 Arabs from Saudi Arabia Hijacked 4 Planes on 911 and crashed them, the 19 Trained at a Flying School in Florida USA on little Cessna Planes as Commercial Pilots.

Ex-President George Bush ordered his brother Jeb Bush to take a team to the Flying School, collect all the evidence of the 19 said Trainee Pilots load it onto a truck and take the Truck to Florida Airport to be loaded onto a Military C130 Plane.

This evidence and part of the 911 Official story has never been brought up again after 911 Truthers or if you like people who are not **"Brain Dead"** to believe the Official story have debunked this whole part of the story.

The Israeli Network in Florida

Florida was the central networking base and staging area for the "False Flag" terror attacks of 9-11.

Fifteen of the nineteen Arabs allegedly involved in the hijackings, for example, lived and had their base of operations in South Florida.

"False Flag" means a crime, which is designed to be blamed on others in order to achieve a strategic and political goal for the real perpetrator of the crime.

To understand how this strategy is used in false flag terror operations I recommend reading *The Little Drummer Girl* by John Le Carré and watching the movie by George Roy Hill. Victor Ostrovsky's books about the Mossad are also recommended reading.

The Little Drummer Girl was written with input and advice from many Mossadniks, including a former head of Israeli military intelligence. Most of the book deals with the way Mossad creates a completely false history for a Palestinian "terrorist" by leaving a trail of traces across Europe.

This False history is exactly what was created in Florida, albeit on a much larger scale, with the 15 Arabs "hijackers" whose identities were used to create a false history for them prior to the attacks of 9-11.

There are, however, obvious flaws in this history, which will be taken up later.

That a false history was being laid was quite clear from published reports: "At least six of the suspected terrorists had two sets of driver's licenses issued by Florida, which would have allowed two or more people to use the same identity," the Sun-Sentinel (Florida) reported on September 28, 2001.

"Many of the suspected terrorists, it is becoming increasingly clear, swapped identities as part of their preparations for the Sept. 11 attacks on the World Trade Center and the Pentagon, according to a Sun-Sentinel review of documents, interviews and published reports."

But why, and by whom, were the "hijackers" identities being swapped?

Were these Arab suspects even aware that their identities were being used by others?

American Airlines Flight 11 suspects (World Trade Center)

Satam M. Al Suqami Abdulaziz Alomari Waleed M. Alshehri Wail M. Alshehri Mohamed Atta

United Airlines Flight 175 suspects (World Trade Center)

Marwan Al-Shehhi Ahmed Alghamdi Mohamed Alshehri Hamez Alghamdi Fayed Rashid Ahmed Hassan Al Qadi Barhammed

Fifteen of the 19 Arabs alleged to have been involved in the hijackings of 9-11 "lived" in South Florida in the months prior to the terror attacks.

All ten of the "hijackers" from the World Trade Center, for example, had lived in the area around Hollywood, Florida.

At least 6 of them had duplicate licenses, which were apparently used to leave false tracks and create false histories by Israeli intelligence agents who were probably Arabic-looking Sephardic Jews.

"These guys were just committed zealots and willing to give it up for the cause without really being key members of the network," Larry Johnson, former deputy-director of counter-terrorism for the U.S. State Department, said.

"They were told what to prepare for, what to train for. They were not the ones calling the shots." "They were, however, extremely well organized," Johnson said.

But who was really "calling the shots" if not them?

Are we supposed to think that Osama Bin Laden or Khalid Sheikh Mohammed were truly the brains behind this organization?

"We don't have anything in history to compare with this," Johnson said.

"The only thing that comes close to it is a former Soviet Intel [Intelligence] Operation."

So who was really running the terrorist network in Florida that resembled a Soviet intelligence operation?

A preponderance of evidence indicates that Israeli military intelligence was the master organization behind the "Arab" terrorist network based in Florida.

Israeli prime minister, Ehud Olmert, made a secret visit to New York City on the eve of 9-11 has provided significant pieces to the puzzle about the Israeli intelligence network in Florida and its role in the terror attacks.

Evidence 2 J)

List of names of 125 Israeli spies picked up 9/11

"Jerusalem Mayor Ehud Olmert interceded twice with his good friend New York Mayor Rudolph Giuliani to have the 9/11 Israelis released"

These were the 5 Israelis dressed as Arabs on the top of a building by the World Trade Centers and Building #7 taking camcorder pictures of themselves cheering and jumping up and down with joy as the planes hit the buildings.

They all had hand held radios and were most likely the one's that set off the explosives "that imploded all three buildings in their own footsteps".

After being held for five days in jail the five were quietly sent back to Israel.

Giuliani and his 9/11 link with Israel and his friendship with Jerusalem Mayor Ehud Olmert who interceded twice with his good friend New York Mayor Rudolph Giuliani to have the 9/11 Israelis released”

“911-THE ISRAELI ART STUDENTS AND MOVERS STORY”

Monday Aug. 8, 2005 which exposes 125 Israeli Mossad spies picked up before, on and after 9/11 and their involvement in 9/11 ...

You will notice the Zionist controlled media and U.S. government try to convince you that the Israelis were spying on Arabs, however, you will note below that spying on our military installations and government buildings has nothing to do with spying on Arabs.

Israeli Spies-The DEA compiled an extensive list of the Israeli art students as an appendix.

The presence in the United States of a number of Israelis, most of whom had specialized military and intelligence backgrounds, in the months prior to 911 is a subject that has received inadequate attention from the major U.S. media and government investigators.

The activities of the Israelis fell into two main areas: the casing of the offices and homes of Federal law enforcement officials, U.S. military bases, and other sensitive sites by Israeli "art students" during 2000 and 2001 and the unusual activities of Israeli "movers" around sensitive areas during and after 911.

These incidents occurred in tandem with the suspicious activities of other former Israeli military and intelligence officials in neighboring countries, including Canada and Mexico, after 911.

In addition, a number of Israeli intelligence agents were apprehended abroad for passport violations and other illegal activities.

On April 30, 2001, the Air Force issued a security alert from Tinker Air Force Base in Oklahoma City concerning a "possible intelligence collection effort being conducted by Israeli art students."

DEA, INS, FBI, and Environmental Protection Agency (EPA) offices received similar alerts.

The FBI office in New Orleans reportedly received a "Counter terrorism Advisory Report regarding suspicious activities around Federal buildings that related to Israeli students" in February 2000.

The FBI also reported that an Israeli art student attempted to sell art at the residences of a U.S. District Judge and U.S. Magistrate in Baton Rouge, Louisiana.

However, according to knowledgeable U.S. government sources, the FBI stayed away from the ongoing DEA-INS investigation for "political reasons."

(Does any of this have anything to do with Israelis spying on Moslems?)

The Israeli students operated in groups of between 4 to 8 individuals led by "Team Leaders."

The team leaders controlled the teams' visits, drove the vehicles, and often had in their vehicles cameras and recording equipment.

A number of the students had significant Israeli military experience in demolitions, explosives, and signals intelligence.

The team active in the Irving, Texas area (near Dallas-Fort Worth Airport) had links to the Chesterfield, Missouri-based Israeli communications software firm AMDOCS, which has an outsourcing agreement with Nextel RETALIX, an Israeli company involved in software for the retail food industry and NICE, an Israeli software engineering firm.

The report cites Michael Calmanovic as the leader of the Irving group and states he "was a recently discharged electronic intercept operator for Israeli military."

Calmanovic and his Israeli supervisor from California were arrested on April 4, 2001 in Irving, Texas, while vacating their apartment.

The DEA report states Calmanovic used a mailbox drop at Mailboxes, Etc. located at 3575 N. Beltline Rd. Apt. 316, Irving, Texas.

The FBI list dated 3 Oct. 2001, which was sent to national financial control authorities to freeze the accounts of the Saudi hijackers and their associates, states the address for suspect Ahmed Khalifa, also known as Almad Khafefa, as 4045 N. Beltline Rd. Apt. 314, Irving, Texas (Marbletree Apartments), just a few blocks from the Israeli mail drop.

(More and more like an Israel "False Flag" operation.. they are good at it-it is widely reported throughout the world...but not in the U.S. that many of the "terrorist attacks" blamed on the Moslems are actually Israeli Mossad "False Flag" operations).

There are a number of possible explanations about why the Israeli art students were living so close to the hijackers, especially in Florida where much of the terrorists' flight training occurred.

Two Canadian newspapers reported that U.S. counter-intelligence officials had warned Canadian authorities that the Israeli art students were funneling proceeds from the art sales to Islamist radical groups.

If the Florida and Texas Israeli art rings discovered prior to 911 were providing such financial support to the hijackers, it would explain why they closely located their mail drops so close to one another.

The involvement of the Israeli cells with communications companies raised serious concerns at the DEA and Justice Department, which were both using Israeli communications intercept software in their field operations.

The DEA used a T2S2 intercept system provided by Comverse and JSI, two Israeli companies.

Comverse was very close to the Israeli government, which reimbursed it up to 50 percent for its research and development costs.

The FBI's Communications Assistance to Law Enforcement Act (CALEA) Implementation Office in Chantilly, Virginia was extremely concerned about the threat posed by Comverse's intercept system.

But the worries of the Chantilly office and Federal Communications Commission (FCC) were overridden by the FBI's engineering office in Quantico, Virginia, which was supported by such contractors as Booz Allen Hamilton.

The nexus of art students, intelligence surveillance, and possible involvement in Ecstasy trafficking set off alarm bells at the highest levels of the DEA about the "art students."

The reason was simple.

T2S2 systems were used in what the DEA, Coast Guard, Customs, and other counter narcotics agencies called High Intensity Drug Trafficking Areas (HIDTAs) and associated wiretap centers and surveillance teams (STs).

The following internal DEA memo points to the worries about the Israeli systems: -

As you may have heard Security Program is briefing the Administrator tomorrow morning on the Israeli students investigation to include T2S2 Comverse and JSI.

This was a result of the Fox network expose on Israeli counterintelligence activities.

In our discussions about remote maintenance for JSI and Comverse, we realized that Comverse remote maintenance for field systems was not addressed in the C & A process.

We will approach it in the similar fashion as we did in the JSI issue, however the foreign national factor doesn't apply.

It remains unclear if Comverse personnel are security cleared and if so, who are they and what type of clearances are on record.

If you have names, I can run their status in Personnel Security.

If not, we will need to have Comverse and ST identify a short list of personnel that will require clearances.

Aborted Mission

Investigation: Did Mossad attempt to infiltrate Islamic radical outfits in south Asia?

<http://www.the-week.com/20feb06/events2.htm>

On January 12 2000 Indian intelligence officials in Calcutta detained 11 foreign nationals for interrogation before they were to board a Dhaka-bound Bangladesh Biman flight.

They were detained on the suspicion of being hijackers.

"But we realised that they were tabliqis (Islamic preachers), so we let them go," said an intelligence official.

They had planned to attend an Islamic convention near Dhaka, but Bangladesh refused them visa.

Later, seemingly under Israeli pressure, India allowed them to fly to Tel Aviv.

Where's the catch?

The secret circular that warned of a possible hijack

"They had landing permits at Dhaka, but that's not visa," said a diplomat in the Bangladesh High Commission in Delhi.

"We decided not to entertain them anymore because we cannot take chances."

The eleven had Israeli passports but were believed to be Afghan nationals who had spent a while in Iran.

They had secured landing permits for Dhaka and one-way tickets on Bangladesh Biman's Calcutta-Delhi route through a Delhi-based travel agency.

"We have a right to deny travel facility to a passenger even if he has a valid ticket on security grounds," said a Bangladeshi Biman official who did not want to be named.

To the Bangladesh Biman officials the eleven, who were all Muslims, appeared "too murky".

Indian intelligence officials, too, were surprised by the nationality profile of the eleven.

"They are surely Muslims; they say that they have been on tabligh (preaching Islam) in India for two months.

But they are Israeli nationals from the West Bank," said a Central Intelligence official.

He claimed that Tel Aviv "exerted considerable pressure" on Delhi to secure their release.

"It appeared that they could be working for a sensitive organisation in Israel and were on a mission to Bangladesh," the official said.

The Israeli intelligence outfit, Mossad, is known to recruit Shia Muslims to penetrate Islamic radical networks.

"It is not unlikely for Mossad to recruit 11 Afghans in Iran and grant them Israeli citizenship to penetrate a network such as Bin Laden's.

They would begin by infiltrating them into an Islamic radical group in an unlikely place like Bangladesh," said intelligence analyst Ashok Debbarma.

The pressure exerted on India by Israel for the release of the men, and the hurry with which they were flown back suggested an aborted operation'.

Mossad watchers say the operation was possibly blown off by "unwelcome intervention" in a friendly country, and they decided to pull out.

The Calcutta immigration authorities may have laid their hands on the wrong people.

They were looking for Islamic radicals attempting hijack.

On January 11, the Bureau of Civil Aviation Security (BCAS) issued a top secret circular (NO: ER/BCAS/PIC/CIRCULAR/99), quoting "an intelligence input" about a possible hijack attempt on a Bangladesh Biman aircraft originating out of India.

Copies of the circular signed by regional deputy commissioner of security (Calcutta Airport), L. Singsit, were issued to relevant Indian agencies and Bangladesh Biman's station manager in Calcutta, Md. Shahjahan.

It said that eight "Pushtu-speaking Mujahideen" had infiltrated into India for the purpose.

The circular also specified the motive behind the hijack: to secure the release of the prime accused in the Mujib-ur-Rehman assassination case including Major (later Colonel) Farooq Rehman and Major Bazlul Huda.

"Dhaka told us to take no chances," said a Bangladesh Biman official.

The Sheikh Hasina government is aware of the international links of the Mujib-killers.

While Libya had sheltered some of them in the 70s and early 80s, middle eastern countries helped others evade justice.

Major (later Colonel) Khondakhar Abdul Rashid, one of Colonel Farooq's co-plotters, is said to be in Saudi Arabia, where he maintains close links with Pakistan's ISI.

Meanwhile, Indian intelligence officials are still on the hunt for "Pushtu-speaking hijackers". An additional director with Central Intelligence said at least four hijackers were in eastern India.

If the terrorists manage to extricate the likes of Colonel Farooq through a hijack, it will boost the 'anti-Indian Islamic forces' in Bangladesh, particularly the agitation against the Hasina government. With a less India-friendly government in Dhaka, Pakistan's ISI could step up its help to the insurgents in the northeast.

Bomb in ceiling caused Jordan hotel blast – source

A blast at the Radisson hotel in the Jordanian capital Amman on Wednesday was caused by a bomb placed in a false ceiling, police sources at the scene told Reuters.

<http://www.msnbc.msn.com/id/9980123/>

The above brief report contradicts all the stories about “suicide bombers” but is substantiated by the photo printed below.

Bomb Trigger

We can now start to get an idea of the very simple but ingenious way in which the Jordan bombs were activated.

I think we can take as a given that the target of the bombs was the Palestinians, particularly the chief Palestinian spy, and the Chinese military officials.

Besides killing the Palestinians, the bomb was intended to send a message to the Chinese that they shouldn't be dealing with the Palestinians (I'll leave it up to you to guess the identity of the only country in the world that might want to send that kind of message).

Any other story completely ignores the fact that it is just too much of a coincidence that the Palestinian and Chinese officials died.

The technical problem was how to manage the bombing so that the right targets ended up dead.

The civilian deaths were required to lay the basis for the suicide bomb fable.

In other words, most people died simply to hide the identity of the real targets, as an attack against only those people would make the identity of the killers too obvious.

The bombers needed a sure-fire way to ensure that the targets were together in a room pre-planted with the bombs, and that the bombs in the other hotels were detonated at the same time as the bomb directed at the real targets.

A timer wouldn't work, as no one could be sure when the targets would be together in the room.

Cell phone triggers might not work, and a radio signal might be jammed (especially with all the spies about).

So they came up with a clever low-tech solution.

The bombs were pre-planted in the ceilings, and hooked up to the hotel electrical systems.

As long as the power was on, the detonators were off.

As soon as the power was interrupted, the detonators were triggered.

Someone at the front desk in charge of booking the rooms booked the Chinese and Palestinians into the same conference room, made sure they were all in, and then used the house phone to call the hotel electrical room.

The agent in the electrical room telephoned the other hotels to tell them to set off their almost simultaneous cover explosions which disguised the real target, and flipped the circuit breaker to the room containing the Chinese and Palestinians.

Boom!

An added bonus is that the darkness hid the real source of the blasts, allowing for the creation of the suicide bomber explanation.

The Associated Press reports: "A security official, meanwhile, said lights in sections of both the Radisson and Hyatt hotels went out just before the near-simultaneous blasts in apparently coordinated fashion.

A man who was working as a disc jockey at the Radisson, where a Jordanian-Palestinian wedding reception was bombed, also recalled how the ballroom where the party was being held mysteriously went dark.

'The lights at the wedding hall went off seconds, maybe just one second, before the blast, although there was electricity outside the room in the corridor, the nearby lobby area and the reception,' said Fadi al-Kessi.

'For some reason, I looked to my right in the darkness and saw what looked like lightning, then there was a loud boom.

It felt like the explosion came from the ceiling, then people started running out.'"

Israeli Jew posing as "Arab hijacker" and "Mohammed Atta"

Daniel Hopsicker does an Interview with Amanda Keller about an individual called "Mohammed Atta".

However, a closer look at the pictures of the man she was dating, reveals that the agent is an impersonator.

When one views the clip below between the 29 and 39 second marks, the pictures turn out to reveal a man that doesn't look like the Passport Photo of Mohammed Atta as shown on Jewish controlled media networks all around the world.

His facial structure is completely different.

It turns out that the agent is an Israeli Jew posing as an "Arab Hijacker" as revealed in Hopsicker's book "Welcome to Terrorland".

This is the only reference to Hebrew in Hopsicker – it is early in Chapter 9 "The thing the FBI was most interested in was his pilot bag," [Amanda] told us.

They asked about it a lot.

He kept it locked, and they wanted to know whether I had ever seen anything in it.

I told them 'yes' one day he opened it briefly, and there were a lot of papers in it, and there was a blue log book in a different language.

Mohamed was fluent in almost any language you can think of," she continued. "He had a kind of Day timer in there, too.

And a folder with all these different I.D.'s in it.

And that's when I saw one — because it fell out — a little blue and white thing the size of a drivers license.

It had his picture on it, and it looked like a mug shot, or a prison shot.

And it didn't look like him, and I asked him, 'Who is this?'

And he said, 'that's me.'

He told me it had been taken back when he was in some kind of militia- type deal, like a military-type deal, he said.

He compared it to our military only they teach you different tactics.

He didn't elaborate.

He didn't say where it was from, either" she said.

"But the writing looked like a cross between Hebrew and Arabic, those little frilly lines.

He told me he spoke Hebrew. I said bullshit.

So he started speaking it, and I guess he did."

Mohamed Atta: Terrorist, Patsy, or Scapegoat?

Mohamed Atta: Terrorist, Patsy, or Scapegoat?

[Atta and Alomari] spent their last night pursuing ordinary activities: making ATM withdrawals, eating pizza, and shopping at a convenience store. [9/11 Commission Report]

"Most college kids order pizza all the time," Ponemon said.

"But most people pay cash for pizza. These guys paid with a credit card. That was an odd thing."

The above were not the actions of a terrorist ringleader determined to achieve a goal which was years in the planning, they were the actions of someone determined to leave a trail of evidence.

'Mossad Hit Men Targeted Erdogan'

Turkish Prime Minister Recep Tayyip Erdogan

The Israeli intelligence agency Mossad has failed in an attempt to assassinate Turkish Prime Minister Recep Tayyip Erdogan, a Jordanian weekly says.

Informed sources in Turkey say that the Mossad plot has been foiled by the country's security forces, al-Manar quoted a report in the most recent edition of the Al-Majd weekly as saying.

There are also reports that Israel has been trying to incite violence inside Turkey by lending support to the militants of the Kurdistan Workers' Party (PKK).

Earlier in June, Sedat Laciner, the head of the International Strategic Research Organization — a Turkish think tank — said Mossad agents and Israeli military retirees had been sighted providing training to PKK militants in Iraqi Kurdistan.

Laciner said Tel Aviv does not have a positive perception of Turkey's ruling Justice and Development Party, which is led by Erdogan.

After an Israeli attack on a Gaza-bound flotilla that left nine Turkish citizens dead on May 31, Ankara drew up a roadmap to "completely" cut its ties with Israel.

Turkish President Abdullah Gul had earlier announced that a roadmap would be prepared on the issue of sanctions against Israel.

"The roadmap details a process through which Turkey will completely cut its ties with Israel" in several stages, Turkish daily Today's Zaman reported on June 17.

According to the roadmap, the first step would be that Turkey's ambassador to Tel Aviv, who had previously been recalled, would not be sent back unless Israel sends a member to a UN investigatory commission that aims to look into the Israeli attack on the Gaza-bound Freedom Flotilla.

The roadmap would also require all military training and cooperation with Israel to be halted and states that an internal Israeli inquiry into the attack would in no way be recognized by Turkey.

Israeli Mossad Role in Turkey Coup Plot Revealed

Mossad role in Turkey coup plot revealed – Tuncay Gueny is suspect of attempts to topple Turkish government.

Israel's national intelligence agency Mossad has been behind a failed coup in Turkey, the Turkish daily newspaper Milliyet reports.

A secret investigation into detained Ergenekon group members and other studies outside Turkey indicate that Mossad orchestrated the coup plot against the Turkish government, the report says.

The Ergenekon group is a Turkish neo-nationalist organization with alleged links to the military, members of which have been arrested on charges of plotting to foment unrest in the country.

Investigators uncovered evidence that show a Jewish rabbi named Tuncay Guney, who worked for Mossad and fled to Canada in 2004, was a key figure behind attempts to overthrow the Turkish government.

A document uncovered this week by the Sabah daily shows how Guney purposefully infiltrated Ergenekon and another organization known as JITEM, an illegal intelligence unit in the gendarmerie suspected of hundreds of murders and kidnappings .

The rabbi was taken out of Turkey and sent to the US for protection after his identity was exposed in an investigation by Turkish police, according to Sabah.

Guney is also reported to have links with Israeli espionage activities in Egypt.

According to Egyptian security forces, at least one of three suspects currently being pursued by the Egyptian government for spying was in contact with Tuncay Guney.

Meanwhile, a separate report by Turkish daily Yeni Safak has claimed that Turkish security forces have discovered some bags in Guney's Istanbul house that include the Israeli flag and Mossad's slogan.

According to an earlier report by Aksam another Turkish daily, Mossad has been involved in several ambiguous events in Turkey.

The report claimed that Turkish security forces have discovered documents that disclose information concerning suspicious investment and economic activities by certain Jewish businessmen in Turkey.

The Jewish businessmen are alleged to have had significant relations with individuals, political groups and cultural organizations, which investigations show are affiliated to the Ergenekon group.

Turkish security forces have detained many members of the Ergenekon group, including retired army generals, politicians, popular lawyers and famous journalists.

The individuals currently face trial on charges of plotting to overthrow Turkish Prime Minister, Recep Tayyip Erdogan.

Mossadnik Captured in Egypt Involved in Pipeline Blast - Video

The Egyptian authorities and the state news agency revealed on Sunday June 12 2011 that they have arrested Ilan Chaim Grappelli/Grapel, (לפרג גליא), known in Israel as Ilan Goren (גורן גליא), an American-Israeli Mossad agent, a war criminal who participated in the atrocities of the Lebanon "second war" in 2006, and a former paratrooper soldier who had infiltrated the Egyptian revolutionists.

And was causing trouble, spying on the military and the revolutionaries, photographing people and reporting to the Mossad, distributing money to some Egyptians and recruiting them in order to cause chaos, to steal and to sabotage public infrastructure in the country.

Grappelli had also been organizing a series of protest movements and preparing them to disobey orders of the military authorities after the overthrow of President Hosni Mubarak.

According to Egyptian authorities, judge Hesham Badawi of the supreme state security prosecution ordered the detention of the Israeli spy for 15 days for pending investigations into his alleged spying on Egypt with the aim of sabotaging and harming its economic and political interests.

The Israeli Mossad spy was arrested at a famous hotel in Cairo with a laptop and three mobile phones.

According to the Egyptian intelligence services, Grappelli, the Mossad officer in Egypt shortly before the start of the January 25 uprising, he entered the country with forged Visa and he was among the first elements that existed in Tahrir Square, and he was photographed and his movements followed closely after he had raised suspicions.

He visited several regions in Egypt, including North of Sinai, He monitored gas pipelines, the relationship between the Egyptians and the Palestinians.

The spy introduced himself to the resistance at Al-Tahrir Square as a "foreign correspondent" supposedly covering the anti-government protests in Cairo.

The movements and phone calls of the spy were monitored and filmed in Egypt before his arrest.

Several images of the spy were released by the Egyptian authorities, showing that he had appeared in various places throughout Egypt.

In some images is seen raising signs among the demonstrators, in another one he appears at the Jewish synagogue, and in others he is seen around areas affected by violence and troubles.

The Egyptian intelligence service was able to track the messages and contacts of the Mossad agent with the Israeli government and to some western countries and the USA.

The monitoring process confirmed the suspicions about the seditious role which the spy and his backers played in creating chaos in Egypt in an attempt at pre-empting the revolution of the twenty-fifth of January, by way of fomenting sectarian violence between the Egyptians.

Information gathered by the Egyptian intelligence service confirmed that the Israeli spy belonged to the Israeli military and that he had been injured during the Lebanon war of 2006.

According to intelligence sources, Goren/Grapel/Grappelli had participated in the perpetration heinous massacres, war crimes against Lebanese villagers in southern Lebanon.

They also published some of his pictures with military uniform during the second Lebanon war.

The mossad spy admitted that he was assigned to a variety of roles in Egypt in order to generate trouble in Egypt and that he had paid money to some elements in Egypt so that they would assist him in the implementation of the plan, which was about causing strife and chaos in the country and repeating rumors that would prevent the stabilization of the situation in Egypt. He also admitted that he had paid some elements for the dissemination of rumors and for exploding the pipeline which provides israel and Jordan with Gas.

The Egyptian sources pointed out that the confessions of the mossadnik will reveal amazing facts about some of the horrible incidents which took place during the last months, especially during the outbreak of the people's revolution and liberation of Egypt.

should be noted that previously three alleged Mossad espionage cells were dismantled in Lebanon and Syria and that Israel has a history of implanting mossad cells all over western and Arab countries and that there are no doubts that the mossad is behind many horrible crimes such as assassinations of politicians, theft, smuggling of drugs, jewelry, diamonds, weapons, organ trafficking etc all perpetrated for the advantage of israel and other Zionist interests.

Simply said, Israel is a big threat for security of all peoples and countries of the world.

The US State Department issued a statement on Sunday reacting to Grapeli's detention, saying that their Embassy in Cairo "is providing Grapel with the necessary help which provided to all US citizens arrested overseas".

The statement pointed that consular officers visited Gabrel and that the embassy will be in contact with the Egyptian authorities to ensure that he is "being treated fairly under local law".

I Will End With The Following Saying, And What The Ultimate Aim, Objective, Plan, Goal is they have for Us All.

“Evil Exist In The World Because Good People Shut Up And Say Nothing Or Act”

The Project For The New American Century rolls along, the PNAC plan has three parts to it

- 1) America and partners will invade 60 countries all about the world and place their resources (Gas, OIL) Opium Trade In Afghanistan and other Resources under their control for the benefit of Multi National Corporations, Zionist Bankers, Military Industrial Complex, AIPAC, Oil Companies Greed, they have to prop up the failing Western Capitalist Fiat Usury System which is collapsing fast.
- 2) America would force the world countries to join up with these World Unions e.g. EU, North American Union, Asian Union, African Union, Middle East Union, Pacific Union, South America Union, each Union would have their own currency, each Union would be played off against each other Union crashing each others economies, starting Wars with American Military Industrial Complex selling Weapons to both sides

Eventually all these Unions would fold and come together under 1 Union, a One World Order Government with America and Israel taking a major control of it.

- 3) Population reduction the world population stand at 6.3 Billion people, this figure would drop by 90 % killing off 90 % of the population world wide, America would release virus, biological weapons to countries, and corporations to use against the worlds citizens

To reduce the worlds population down to a manageable size population for the One World Order Government to supervise – manage

It's a plan written by these neo-cons (New Age Nazi – Fascist Conservatives) most Talmud believing Zionist Jews.

These people are absolutely mad, but they have taken control of America, Israel, Germany, France, Canada, and England and control some European Countries also, Australia.

The World is at War all right, the people of the world are at War with the above people who are trying to implement their 3-point Project For The New American Century Plan upon the citizens of the world

“God help us all”
